

# Stefano Pio Fabiano

Finnmarkgata 42, 0563 Oslo  
Tel : +47 406 11 179 | email:  
fabianostefano.sf@gmail.com  
born: July 28, 2000

## Key qualifications

---

- Familiar with the modern data stack concepts and currently expanding my understanding of dbt and Snowflake to complement my SQL expertise
- Strong communication skills developed through direct user support at Intesa San Paolo, including the ability to translate technical concepts into clear, non-technical language
- Experience working in a financial environment, supporting functional teams as an external IT resource at Intesa San Paolo
- More than two years of hands-on experience writing and optimizing SQL queries in Oracle environments to support troubleshooting and data extraction
- Skilled in maintaining accurate documentation and updating ticket systems to reflect troubleshooting steps and solutions
- Basic understanding of Salesforce from technical training (ITS), with a strong interest in deepening expertise in CRM and data integration solutions
- Strong interest in Snowflake and currently expanding knowledge through hands-on practice and self-study
- Supportive and collaborative team member, committed to contributing to a positive and solution-oriented work environment
